### **LHFA Postpones Commissioners Meeting**

*Baton Rouge, LA (September 8, 2008) – The Louisiana Housing Finance Agency has announced that the previously scheduled meeting of the LHFA Board of Commissioners has been tentatively rescheduled for Wednesday, September 17, 2008.*

The postponement was made necessary by the effects of Hurricane Gustav on the Greater Baton Rouge area and the uncertainty of approaching Hurricane Ike. A final decision regarding date and time for the meeting will be made as soon as possible. The final agenda for the meeting will also be released at that time.

*The Louisiana Housing Finance Agency (LHFA) was created by the Louisiana Legislature to address the shortage of safe and affordable housing in Louisiana. Since 1980, LHFA has administered federal and state funds through programs designed to advance the development of energy efficient and affordable housing for low and moderate income families. Post-Katrina, LHFA has been a viable resource in the development of rental housing and homeownership finance opportunities.*
